

KCF Sponsored Walk for Sports Relief raises over £2000

On Sunday 20 September around 50 pupils walked up to 5 miles each in Gunnersbury Park with their families to raise hundreds of pounds towards the school's £10,000 target for Sport Relief. Giving them huge encouragement was popular BBC Newsround Presenter Ore Oduba. A keen sportsman, Ore enjoys football and cricket and revealed his past ambition to play hockey in the 2012 Olympics! Ore was full of praise for the children:

"You guys deserve a massive round of applause. When I saw how big the park was I was sure I could only do one circuit and you have all managed three, so well done on your awesome achievement! Working for Newsround and Sportsround, one of the best parts of the job is meeting kids like you and I remember really enjoying sport as a youngster and doing challenges like this. Sport Relief is a great charity and your involvement helps us raise lots of money so even if you are not necessarily the next Usein Bolt it is still great fun to take part and enjoy sport and you never know some of you might be there in the Olympics in 2012!"

Mrs Dobell was delighted to have Ore's support to encourage everyone taking part *"It's great that Nursery to Year 1 children have enjoyed the challenge of one mile and the fun of taking part while the older children have challenged themselves to complete 5 miles and raise as much money as they can. Meeting Ore made the event even more special for them."*

Please put any outstanding sponsorship money / donations in the red KCF letterbox with any cheques made payable to KCF.

*******Congratulations!*******

There were many entries for the Plum Pudding Label Competition and the judges had a difficult job in selecting the two winners whose designs will be gracing the puddings you have ordered for Christmas. The talented winners are Isabella Bampton (Yr 2) for the Infant School and Jack Holme (Yr 6) for the Junior School. Both won book tokens for their great designs
