

**MUSIC LESSON REQUEST FORM  
PUPIL INSTRUMENTAL LESSONS**

Individual instrumental tuition is available during the school day for children in **Year 1** upwards. Lessons are timetabled on rotation so that the same classes are not missed each week. Each child may learn only one instrument at school. Children who are preparing for school entrance exams will not miss core subjects. Parent/teacher communication is handled through the child's own music practice book. PLEASE NOTE that regular daily practice is required when learning a musical instrument.

Fees are charged by the teachers, who are self-employed, by the term in advance on the basis of the number of weeks in that term. Notice in writing of at least half a term is required prior to the cancellation of lessons, addressed to the music teacher. In the event of a lesson being cancelled by the teacher, a pro-rata reduction will be made to the charge the following term.

Lessons are currently available in:

**Piano/Clarinet/Flute/Oboe/Saxophone/Recorder/Violin/Viola/Trumpet and other brass instruments/Guitar/Drums**

I would like my child to have instrumental lessons at Kew College on the above basis.
